Prize-Awarding Ceremony/ Painting & Photography Exhibition

26 June/ Venue: Qatar National Theatre

Awards, exhibits, prizes, recognition and performances awaits the participants and the Qatar community.

About WED:

Initiated by the United Nations Environment Programme (UNEP) in 1972.

WED is the biggest, most widely celebrated global day for positive environmental action, the world over.

This is the time for advocating partnerships and cooperation among all species living on this one planet and sharing a common future.
